The Director or designee shall:

1. Ensure that the home page for the Cooperative's website contains an active electronic link to the email address(es) for the Executive Board, and
2. During the Board's regular meetings, report for the Board's consideration all questions or communications submitted through the active electronic link along with the status of the Cooperative's response in the Board meeting packet.

If contacted individually, Executive Board members will refer the person to the appropriate level of authority, except in unusual situations. Executive Board members' questions or communications to staff or about programs will be channeled through the Director's office. Executive Board members will not take individual action that might compromise the Executive Board or Cooperative. There is no expectation of privacy for any communication sent to the Executive Board or its members, whether sent by letter, email, or other means.

Executive Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of an Executive Board-quorum shall not be used for the purpose of discussing Cooperative business. Electronic communications among Executive Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places

In accordance with the Open Meetings Act, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of Cooperative business through electronic communications with a majority of a Board-quorum.

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within three months of the vote.

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the Chairperson or by any three members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the Cooperative's main office at least

Posting on the Cooperative Website

In addition to the other notices specified in this policy, the Director or designee shall post the following on the Cooperative website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each meeting which shall remain posted until the meeting is concluded.

2:220 Executive Board Meeting Procedure

Agenda

The Executive Board Chairperson is responsible for focusing the Executive Board meeting agendas on appropriate content. The Director shall prepare agendas in consultation with the Executive Board Chairperson. The Chairperson shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Executive Board action. Upon the request of any Executive Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Executive Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Executive Board members to the Director or the Chairperson shall be placed on the agenda for an upcoming meeting. Cooperative residents may suggest inclusions for the agenda. The Executive Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Director shall provide a copy of the agenda, with adequate data and background information, to each Executive Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Executive Board policy 2:200, *Types of Executive Board Meetings*.

The Executive Board Chairperson shall determine the order of business at regular Executive Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Executive Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Executive Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Executive Board's minutes. An individual Executive Board member may request that a roll call vote be taken on any other matter; the Chairperson or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Executive Board member may include a written explanation of his or her vote in the Cooperative file containing individual Executive Board member statements; the explanation will not be part of the minutes.

Minutes

The Executive Board Secretary shall keep written minutes of all Executive Board meetings (whether open or closed), which shall be signed by the Chairperson and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Executive Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;

5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Executive Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Executive Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Executive Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Executive Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The official minutes are in the custody of the Executive Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Executive Board's approval; they may be inspected in the Cooperative's main office, in the presence of the Secretary, the Director or designee, or any Executive Board member.

Minutes from closed meetings are likewise available, but only if the Executive Board has released them for public inspection, except that Executive Board members may access closed session minutes not yet released for public inspection (1) in the Cooperative's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Director or designated administrator, or any elected Executive Board member. The minutes, whether reviewed by members of the public or the Executive Board, shall not be removed from the Cooperative's administrative offices or their official storage location except by vote of the Executive Board or by court order.

The Executive Board's open meeting minutes shall be posted on the Cooperative website within 10 days after the Executive Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Director, or the Executive Board Secretary when the Director is absent, shall audio record all closed meetings. If neither is present, the Executive Board Chairperson or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Executive Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the Cooperative's administrative offices or their official storage location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Executive Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Executive Board members may access verbatim recordings in the presence of the Recording Secretary, the Director or designated administrator, or any elected Executive Board member. Access to the verbatim recordings is available at the Cooperative's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Director or Executive

Board Chairperson. While a Executive Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the Cooperative's main office or official storage location, except by vote of the Executive Board or by court order.

Before making such requests, Executive Board members should consider whether such requests are germane to their responsibilities, service to Cooperative, and/or Oath of Office in policy 2:80, *Executive Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Executive Board members during closed meetings, the recordings of closed meetings should not be used by Executive Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Executive Board must be physically present at all Executive Board meetings. A majority of the full membership of the Executive Board constitutes a quorum.

Provided a quorum is physically present, a Executive Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or Cooperative business, (3) a family or other emergency, or (4) unexpected childcare obligations. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Director will inform the Executive Board Chairperson and make appropriate arrangements. A Executive Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Executive Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board Chairperson or, if the office is vacant or the Chairperson is absent or unable to perform the office's duties, the Vice Chairperson determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the Chairperson nor Vice Chairperson are present or able to perform this determination, the Director shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Executive Board-adopted rules apply, the Executive Board Chairperson, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Executive Board Meetings

Any person may record or broadcast an open Executive Board meeting. Special requests to facilitate recording or broadcasting an open Executive Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Executive Board members, other meeting participants, or members of the public. The Executive Board Chairperson may designate a location for

recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

2:230 Public Participation at Executive Board Meetings and Petitions to the Executive Board

For a maximum of 30 minutes during each regular and special open meeting of the Executive Board, any person may comment to or ask questions of the Executive Board (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below. The time limit for public participation at a meeting may be extended upon the majority vote of the Executive Board members at the regular or special meeting. The Executive Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through policy 3:30, *Chain of Command*.

To preserve sufficient time for the Executive Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Executive Board only at the appropriate time as indicated on the agenda and when recognized by the Executive Board Chairperson. This includes following the directives of the Executive Board Chairperson to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the Executive Board Chairperson may allow a person to speak for more than five minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Executive Board Chairperson's authority to:
 - a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
 - b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Executive Board shall be presented to the Executive Board in the next regular Executive Board packet.

2:240 Executive Board Policy Development

The Executive Board governs using written policies. Written policies ensure legal compliance, establish Executive Board processes, articulate Cooperative ends, delegate authority, and define operating limits. Executive Board policies also provide the basis for monitoring progress toward Cooperative ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Director. Suggestions from all others should be made to the Executive Board Chairperson or the Director.

The Director is responsible for: (1) providing relevant policy information and data to the Executive Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Executive Board deliberation. The Director shall seek the counsel of the Cooperative Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Executive Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Executive Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Executive Board consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Executive Board policies are available for public inspection in the Cooperative's main office during regular office hours. Copy requests should be made pursuant to Executive Board policy 2:250, *Access to Cooperative Public Records*.

Executive Board Policy Review and Monitoring

The Executive Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Executive Board may use an annual policy review and monitoring calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Director Implementation

The Executive Board will support any reasonable interpretation of Executive Board policy made by the Director. If reasonable minds differ, the Executive Board will review the applicable policy and consider the need for further clarification.

In the absence of Executive Board policy, the Director is authorized to take appropriate action.

Suspension of Policies

The Executive Board, by a majority vote of members present at any meeting, may temporarily suspend a Executive Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Executive Board action.

2:250 Access to Cooperative Public Records

Full access to the Cooperative's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Director or designee shall: (1) provide the Governing Board with sufficient information and data to permit the Governing Board to monitor the Cooperative's compliance with FOIA and this policy, and (2) report any FOIA requests during the Governing Board's regular meetings along with the status of the Cooperative's response.

Freedom of Information Officer

The Director shall serve as the Cooperative's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The Cooperative's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the Cooperative.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Cooperative's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct Cooperative employees to immediately forward any request for inspection and copying of a public record to the Cooperative's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Governing Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Cooperative's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Cooperative's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the Cooperative's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Cooperative's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Cooperative's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Cooperative's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Cooperative shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Cooperative's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Governing Board Attorney (e.g., a litigation hold), Cooperative auditor, or other individual authorized by the Governing Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the Cooperative will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the Cooperative's

main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any Cooperative Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Governing Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Title IX Coordinator or designee shall process and review the complaint under Governing Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Governing Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Governing Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Governing policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time from the Director.

The Director will keep the Governing Board informed of all complaints.

If a complaint contains allegations involving the Director, the written report shall be filed directly with the Governing Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Director shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Director's decision, the Complainant or the accused may appeal the decision to the Governing Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Governing Board.

Within 30 school business days after an appeal of the Director's decision, the Governing Board shall affirm, reverse, or amend the Director's decision or direct the Director to gather additional information. Within five school business days after the Governing Board's decision, the Director shall inform the Complainant and the accused of the Governing Board's action.

For complaints containing allegations involving the Director or Governing Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Governing Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Director or Governing Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Director shall appoint a Nondiscrimination Coordinator to manage the Cooperative's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Director shall appoint a Title IX Coordinator to coordinate the Cooperative's efforts to comply with Title IX.

The Director shall appoint at least one Complaint Manager to administer this policy. If possible, the Director will appoint two Complaint Managers, each of a different gender. The Cooperative's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Director shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

2:265 Title IX Grievance Procedure

Discrimination on the basis of sex, including sex-based harassment, affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from discrimination on the basis of sex is an important District goal.

The District does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106), including against applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sex Discrimination Prohibited

Sex discrimination as defined in Title IX (Title IX Sex Discrimination) is prohibited. A District employee, agent, or student violates this prohibition whenever that person engages in conduct on the basis of sex that causes another person to be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any education program or activity operated by the District. Title IX Sex Discrimination includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and/or gender identity.

Sex-based harassment is a form of Title IX Sex Discrimination. Sex-based harassment occurs whenever a person engages in conduct on the basis of sex that satisfies one or more of the following:

1. A District employee, agent, or other person authorized by the District to provide an aid, benefit, or service under the District's education program or activity explicitly or impliedly conditions the provision of an aid, benefit, or service on a person's participation in unwelcome sexual conduct; or
2. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the District's education program or activity; or
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 34 C.F.R. §106.2.

Definitions from 34 C.F.R. §106.2

Complainant means: (1) a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination; or (2) a person other than a student or employee who is alleged to have been subjected to conduct that could constitute Title IX Sex Discrimination and who was participating or attempting to participate in the District's education program or activity at the time of the alleged Title IX Sex Discrimination.

Complaint means an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged discrimination under Title IX.

Respondent means a person who is alleged to have violated the District's prohibition on Title IX Sex Discrimination.

Retaliation means intimidation, threats, coercion, or discrimination against any person by the District, a student, or an employee or other person authorized by the District to provide aid, benefit, or service under the District's education program or activity, for the purpose of interfering with any right or privilege secured by Title IX or its regulations, or because the person has reported information, made a Complaint, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX regulations.

Making a Report

A person who wishes to make a report under this policy may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking.

School employees who receive information about conduct that reasonably may constitute Sex Discrimination under this policy shall promptly forward the report or information to the Title IX Coordinator. An employee who fails to promptly make or forward a report or information may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report of conduct that reasonably may constitute Title IX Sex Discrimination, the Title IX Coordinator and/or designee shall offer and coordinate supportive measures, as appropriate, for a Complainant.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:10, *Equal Employment Opportunity and Minority Recruitment*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:10, *Equal Educational Opportunities*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action under those policies.

Reports of alleged Title IX Sex Discrimination will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of Title IX Sex Discrimination.

Title IX Complaint Grievance Process

The Superintendent or designee shall implement procedures to ensure the prompt and equitable resolution of all Complaints according to a grievance process that fully complies with 34 C.F.R. §106.45. See the District's Title IX Complaint Grievance Process (Grievance Process) under administrative procedure 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

When a Complaint is filed, the Title IX Coordinator will investigate it and make a determination regarding the outcome of the Complaint, or appoint a qualified person(s) to undertake the investigation and make a determination regarding the outcome of the Complaint.

Enforcement

Any District employee who is determined, at the conclusion of the Grievance Process, to have

engaged in Title IX Sex Discrimination will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the Grievance Process, to have engaged in Title IX Sex Discrimination will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, at the conclusion of the Grievance Process, to have engaged in Title IX Sex Discrimination will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding Title IX Sex Discrimination will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation, including peer retaliation, in its education program or activity. Any person should report claims of retaliation using this Board policy 2:265, *Title IX Grievance Procedure*.

A student, employee, or other person authorized by the District to provide aid, benefit, or service under the District's education program or activity who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.
