## 4:190 Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the Cooperative's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure Cooperative environment is an important Governing Board goal. The Director or designee shall develop and implement the Program. The Program oversees the maintenance of a Cooperative environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the Cooperative's Comprehensive Safety and Security Plan, required by Governing Board policy 4:170, *Safety*, and shall:

1. Establish a Cooperative-level School Violence Prevention Team to: (a) develop a Cooperative-level Targeted School Violence Prevention Plan, and (b) oversee the Cooperative's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Governing Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the Cooperative from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the Cooperative, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, Cooperative staff, or visitors.
