Region III Education Cooperative

6:10 Educational Philosophy and Objectives

The Cooperative's educational program will seek to provide an opportunity for each student to develop to his or her maximum potential. The objectives for the educational program are to:

1. Foster students' self-discovery, self-awareness, and self-discipline.
2. Develop students' awareness of and appreciation for cultural diversity.
3. Stimulate students' intellectual curiosity and growth.
4. Provide students with fundamental career concepts and skills.
5. Help students develop sensitivity to the needs and values of others and a respect for individual and group differences.
6. Help each student strive for excellence and instill a desire to reach the limit of his or her potential.
7. Encourage students to become lifelong learners.
8. Provide an educational climate and culture free of bias concerning the protected classifications identified in policy 7:10, *Equal Educational Opportunities*.

In order for the Governing Board to monitor whether the educational program is attaining these objectives and to be knowledgeable of current and future resource needs, the Director shall prepare an annual report that includes:

1. A review and evaluation of the present curriculum.
2. A projection of curriculum and resource needs.
3. An evaluation of, and plan to eliminate, any bias in the curriculum or instructional materials and methods concerning the classifications referred to in item 8, above.
4. Any plan for new or revised instructional program implementation.
5. A review of present and future facility needs.

6:20 School Year Calendar and Day

School Calendar

The Governing Board, upon the Director's recommendation and subject to State regulations, annually establishes the dates for opening and closing classes, teacher institutes and in-services, the length and dates of vacations, and the days designated as legal school holidays. The school calendar shall have a minimum of 185 days to ensure 176 days of actual student attendance.

Commemorative Holidays

The teachers and students shall devote a portion of the school day on each commemorative holiday designated in the School Code to study and honor the commemorated person or occasion. The Governing Board may, from time to time, designate a regular school day as a commemorative holiday.

School Day

The Governing Board establishes the length of the school day with the recommendation of the Director and subject to State law requirements. The Director or designee shall ensure that observances required by State law are followed during each day of school attendance.

6:30 Organization of Instruction

The Cooperative may provide programs for students in pre-K through 21 (day before 22). The Director shall annually present to the Governing Board a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the Cooperative's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the Cooperative.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The Cooperative maintains a full-day kindergarten with an instructional program that fulfills the Cooperative's curriculum goals and objectives and the requirements of the State law. The Cooperative also offers a half-day kindergarten for those parents/guardians who request a half-day program.

6:65 Student Social and Emotional Development

Social and emotional learning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions.

The Director shall incorporate SEL into the Cooperative's curriculum and other educational programs consistent with the Cooperative's mission and the goals and benchmarks of the Ill. Learning Standards. The Ill. Learning Standards include three goals for students:

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social-awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the Cooperative's curriculum and other educational programs may include but is not limited to:

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age-and-culturally appropriate classroom instruction, Cooperative-wide, and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students.
2. Staff development and training to promote students' SEL development. This may include providing all personnel with age-appropriate academic and SEL and how to promote it.
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it.
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning.
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance.

6:80 Teaching About Controversial Issues

The Director shall ensure that all school-sponsored presentations and discussions of controversial or sensitive topics in the instructional program, including those made by guest speakers, are:

- Age-appropriate. Proper decorum, considering the students' ages, should be followed.
- Consistent with the curriculum and serve an educational purpose.
- Informative and present a balanced view.
- Respectful of the rights and opinions of everyone. Emotional criticisms and hurtful sarcasm should be avoided.
- Not tolerant of profanity or slander.

The Cooperative specifically reserves its right to stop any school-sponsored activity that it determines violates this policy, is harmful to the Cooperative or the students, or violates State or federal law.

6:110 Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program

The Director or designee shall develop, maintain, and supervise a program for students at risk of academic failure or dropping out of school. The program shall include education and support services addressing individual learning styles, career development, and social needs, and may include without limitation one or more of the following:

- Parent-teacher conferences
- Counseling services by social workers and/or guidance counselors
- Counseling services by psychologists
- Psychological testing
- Truants' alternative and optional education program
- Community agency services
- Alternative learning opportunities program, in conformity with the Alternative Learning Opportunities Law, as it may be amended from time to time
- Graduation incentives program
- Remediation program

Any student who is below the age of 20 years is eligible to enroll in a graduation incentives program if he or she:

1. Is considered a dropout according to State law;
2. Has been suspended or expelled;
3. Is pregnant or is a parent;
4. Has been assessed as chemically dependent; or
5. Is enrolled in a bilingual education or English Language Learners program.

6:120 Education of Children with Disabilities

The Cooperative shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the Cooperative, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term *children with disabilities*, as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Ill. State Governing Board of Education (ISBE) *Special Education* rules, that special education services are needed. Children with disabilities who turn 22 years old during the school year are eligible for such services through the end of the school year.

It is the intent of the Cooperative to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to IDEA.

For students eligible for services under IDEA, the Cooperative shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the ISBE *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the Cooperative shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

If necessary, students may also be placed in nonpublic special education programs or education facilities.

6:190 Extracurricular and Co-Curricular Activities

The Director must approve an activity in order for it to be considered a Cooperative-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The Cooperative has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Academic Criteria for Participation

Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the Cooperative's policies. 6:210 Instructional Materials

All Cooperative classrooms and learning centers should be equipped with an evenly-proportioned, wide assortment of instructional materials, including textbooks, workbooks, audio-visual materials, and electronic materials. These materials should provide quality learning experiences for students and:

1. Enrich and support the curriculum;
2. Stimulate growth in knowledge, literary appreciation, aesthetic values, and ethical standards;
3. Provide background information to enable students to make informed judgments and promote critical reading and thinking;
4. Depict in an accurate and unbiased way the cultural diversity and pluralistic nature of American society; and
5. Contribute to a sense of the worth of all people regardless of sex, race, religion, nationality, ethnic origin, sexual orientation, disability, or any other differences that may exist.

The Director or designee shall annually provide a list or description of textbooks and instructional materials used in the Cooperative to the Governing Board. Anyone may inspect any textbook or instructional material.

Teachers are encouraged to use age-appropriate supplemental material only when it will enhance, or otherwise illustrate, the subjects being taught. No R-rated movie shall be shown to students unless prior approval is received from the Director or designee, and no movie rated NC-17 (no one 17 and under admitted) shall be shown under any circumstances. These restrictions apply to television programs and other media with equivalent ratings. The Director or designee shall give parents/guardians an opportunity to request that their child not participate in a class showing a movie, television program, or other media with an R or equivalent rating.

Instructional Materials Selection and Adoption

The Director shall approve the selection of all textbooks and instructional materials according to the standards described in this policy. The School Code governs the adoption and purchase of textbooks and instructional materials.

6:230 Library Media Program

The Director or designee shall manage the Cooperative's library media program to comply with (1) State law and Ill. State Governing Board of Education (ISBE) rule and (2) the following standards:

1. The program includes an organized collection of resources available to students and staff to supplement classroom instruction, foster reading for pleasure, enhance information literacy, and support research, as appropriate to students of all abilities in the grade levels served.
2. Financial resources for the program's resources and supplies are allocated to meet students' needs.
3. Students in all grades served have equitable access to library media resources.
4. The advice of an individual who is qualified according to ISBE rule is sought regarding the overall direction of the program, including the selection and organization of materials, provision of instruction in information and technology literacy, and structuring the work of library paraprofessionals.
5. The program adheres to the principles of the American Library Association's *Library Bill of Rights*, which indicate that materials should not be proscribed or removed because of partisan or doctrinal disapproval.
6. Staff members are invited to recommend additions to the collection.
7. Students may freely select resource center materials as well as receive guided selection of materials appropriate to specific, planned learning experiences.

Parents/guardians, employees, and community members who believe that library media program resources violate rights guaranteed by any law or Board policy may file a complaint using Board policy 2:260, *Uniform Grievance Procedure*.

The Director or designee shall establish criteria consistent with this policy for the review of objections. Parents/guardians, employees, and community members with suggestions or complaints about library media program resources may complete a *Library Media Resource Objection Form*. 6:235 Access to Electronic Networks

Electronic networks are a part of the Cooperative's and district's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication.

The term *electronic networks* includes all of the Cooperative's and district's technology resources, including, but not limited to:

1. The Cooperative and district's local-area and wide-area networks, including wireless networks (Wi-Fi), Cooperative and district-issued Wi-Fi hotspots, and any Cooperative and district servers or other networking infrastructure;
2. Access to the Internet or other online resources via the Cooperative's and district's networks or to any Cooperative and district-issued online account from any computer or device, regardless of location;
3. Cooperative and district-owned or Cooperative and district-issued computers, laptops, tablets, phones, or similar devices.

The Director shall develop an implementation plan for this policy and appoint system administrator(s).

Electronic networks, including the Internet, are a part of the Cooperative's and district's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication. The Director shall develop an implementation plan for this policy and appoint system administrator(s).

The Cooperative is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the Cooperative will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Curriculum and Appropriate Online Behavior

The use of the Cooperative's and district's electronic networks shall: (1) be consistent with the curriculum adopted by the Cooperative as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library resource center materials. As required by federal law, students will be educated about appropriate online behavior, including but not limited to: (1) interacting with other individuals on social networking websites and in chat rooms, and (2) cyberbullying awareness and response. Staff members may, consistent with the Director's implementation plan, use the Internet throughout the curriculum.

The Cooperative's and district's electronic network is part of the curriculum and is not a public forum for general use.

Acceptable Use

All use of the Cooperative's and district's electronic networks must be: (1) in support of education and/or research, and be in furtherance of the goals stated herein, or (2) for a legitimate school business purpose. Use is a privilege, not a right. Users of the Cooperative's electronic networks have no expectation of privacy in any material that is stored on, transmitted, or received via the Cooperative's electronic networks. General rules for behavior and communications apply when using electronic networks. The Cooperative's administrative procedure, *Acceptable Use of the Cooperative's Electronic Networks,* contains the appropriate uses, ethics, and protocol. Electronic communications and downloaded material, including files deleted from a user's account but not erased, may be monitored or read by school officials.

Internet Safety

Technology protection measures shall be used on each Cooperative computer with Internet access. They shall include a filtering device that protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Director or designee. The Director or designee shall enforce the use of such filtering devices. An administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Director or system administrator. The Director or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including "hacking" and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as, names and addresses.

Use of Artificial Intelligence (AI)-Enabled Tools

The Board recognizes that AI-enabled tools are important to enhance student learning, educator effectiveness, and school operations. The use of AI-enabled tools in the Cooperative shall be implemented in a safe, ethical, and equitable manner and in accordance with Board policies 1:30, *Cooperative Philosophy*, and 7:345, *Use of Educational Technologies; Student Data Privacy and Security.*

To implement the use of AI-enabled tools in the Cooperative, the Superintendent or designee shall:

1. Develop a Cooperative-wide AI Plan that addresses the Cooperative's approach to the integration of AI;
2. Based on the Cooperative-wide AI Plan, establish AI Responsible Use Guidelines to address the responsible use of AI in the Cooperative by students and staff;
3. Ensure that AI-enabled tools comply with State and federal law;
4. Ensure that staff receive training and students receive instruction on the use of AI, as appropriate; and
5. Review the Cooperative's AI Plan and AI Responsible Use Guidelines on an annual basis and update them as needed.

Authorization for Electronic Network Access

Each staff member must sign the *Authorization for Access to the Cooperative's and District's Electronic Networks*; 6:235, *Access to Electronic Network*; 5:125, *Personal Technology and Social Media*, as a condition for using the Cooperative's and district's electronic network. Each student and his or her parent(s)/guardian(s) must sign the *Authorization* before being granted unsupervised use.

Confidentiality

All users of the Cooperative's computers to access the Internet shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential student information is loaded onto the network.

Violations

The failure of any user to follow the terms of the Cooperative's administrative procedure, *Acceptable Use of the Cooperative's Electronic Networks,* or this policy, will result in the loss of privileges,

disciplinary action, and/or appropriate legal action.

6:240 Field Trips and Recreational Class Trips

Field trips are permissible when the experiences are a part of the school curriculum and/or contribute to the Cooperative's educational objectives.

All field trips must have the Director or designee's prior approval, except that field trips beyond a 200-mile radius of the school or extending overnight must have the prior approval of the School Governing Board. The Director or designee shall analyze the following factors to determine whether to approve a field trip: educational value, student safety, parent concerns, heightened security alerts, and liability concerns. On all field trips, a bus fee set by the Director or designee may be charged to help defray the transportation costs.

Parents/guardians of students: (1) shall be given the opportunity to consent to their child's participation in any field trip, and (2) are responsible for all entrance fees, food, lodging, or other costs. All non-participating students shall be provided an alternative experience. Any field trip may be cancelled without notice due to an unforeseen event or condition.

Privately arranged trips, including those led by Cooperative staff members, shall not be represented as or construed to be sponsored by the Cooperative or school. The Cooperative does not provide liability protection for privately arranged trips and is not responsible for any damages arising from them.

Recreational Class Trips

Recreational class trips are permissible provided they do not interfere with the Cooperative's educational goals. The provisions in this policy concerning field trips are also applicable to recreational class trips, except those regarding educational value.

The Governing Board encourages the use of resource persons and volunteers to: (1) increase students' educational attainment; (2) provide enrichment experiences for students; (3) increase the effective utilization of staff time and skills; (4) give more individual attention to students; and (5) promote greater community involvement.

Resource persons and volunteers may be used:

1. For non-teaching duties not requiring instructional judgment or evaluation of students;
2. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (such as computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
3. To assist with academic programs under a licensed teacher's immediate supervision;
4. To assist in times of violence or other traumatic incidents within the Cooperative by providing crisis intervention services to lessen the effects of emotional trauma on staff, students, and the community, provided the volunteer meets the qualifications established by the Ill. School Crisis Assistance Team Steering Committee;
5. As a guest lecturer or resource person under a licensed teacher's direction and with the administration's approval; or
6. As supervisors, chaperones, or sponsors for non-academic school activities.

The Director shall follow Governing Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications,* to establish procedures for securing and screening resource persons and volunteers. A person who is a *sex offender*, as defined by the Sex Offender Registration Act, or a *violent offender against youth*, as defined in the Murderer and Violent Offender Against Youth Registration Act, is prohibited from being a resource person or volunteer. All volunteer coaches must comply with the requirement to report hazing in policy 5:90, *Abused and Neglected Child Reporting*.

6:260 Complaints About Curriculum, Instructional Materials, and Programs

Parents/guardians have the right to inspect any instructional material used as part of their child's educational curriculum pursuant to Board policy 7:15, *Student and Family Privacy Rights*.

Parents/guardians, employees, and community members who believe that curriculum, instructional materials, or programs violate rights guaranteed by any law or Board policy may file a complaint using Board policy 2:260, *Uniform Grievance Procedure*.

Parents/guardians, employees, and community members with other suggestions or complaints about curriculum, instructional materials, or programs should complete a *Curriculum Objection Form*. A parent/guardian may request that his/her child be exempt from using a particular instructional material or program by completing a *Curriculum Objection Form*. The Director or designee shall establish criteria for the review of objections and inform the parent/guardian, employee, or community member, as applicable, of the Cooperative's decision.

6:280 Grading and Promotion

The Director or designee shall establish a system of grading and reporting academic achievement to students and their parents/guardians. The system shall also determine when promotion and graduation requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the curriculum, attendance, and performance on the standardized tests required by the Ill. State Board of Education (ISBE) and/or other assessments. A student shall not be promoted based upon age or any other social reason not related to academic performance.The administration shall determine remedial assistance for a student who is not promoted.

Every teacher shall maintain an evaluation record for each student in the teacher's classroom. A Cooperative administrator cannot change the final grade assigned by the teacher without notifying the teacher. Reasons for changing a student's final grade include:

- A miscalculation of test scores,
- A technical error in assigning a particular grade or score,
- The teacher agrees to allow the student to do extra work that may impact the grade,
- An inappropriate grading system used to determine the grade, or
- An inappropriate grade based on an appropriate grading system.

Should a grade change be made, the administrator making the change must sign the changed record.

6:290 Homework

Homework is part of the Cooperative's instructional program and has the overarching goal of increasing student achievement. Homework is assigned to further a student's educational development and is an application or adaptation of a classroom experience. The Director shall provide guidance to ensure that homework:

1. Is used to reinforce and apply previously covered concepts, principles, and skills;
2. Is not assigned for disciplinary purposes;
3. Serves as a communication link between the school and parents/guardians;
4. Encourages independent thought, self-direction, and self-discipline; and
5. Is of appropriate frequency and length, and does not become excessive, according to the teacher's best professional judgment.

Missed Homework

Students absent for a valid cause may make up missed homework in a reasonable timeframe per policy 7:70, *Attendance and Truancy*.

6:340 Student Testing and Assessment Program

The Cooperative student assessment program provides information for determining individual student achievement and instructional needs, curriculum and instruction effectiveness, and school performance measured against Cooperative student learning objectives and statewide norms.

The Director or designee shall manage the student assessment program that, at a minimum:

1. Administers to students all standardized assessments required by the Ill. State Board of Education (ISBE) and/or any other appropriate assessment methods and instruments, including norm and criterion-referenced achievement tests, aptitude tests, proficiency tests, and teacher-developed tests.
2. Informs students of the timelines and procedures applicable to their participation in every State assessment.
3. Provides each student's parents/guardians with the results or scores of each State assessment and an evaluation of the student's progress. See policy 6:280, *Grading and Promotion*.
4. Utilizes professional testing practices.

Overall student assessment data on tests required by State law will be aggregated by the Cooperative and reported, along with other information, on the Cooperative's annual report card. All reliable assessments administered by the Cooperative and scored by entities outside of the Cooperative must be (1) reported to ISBE on its form by the 30th day of each school year, and (2) made publicly available to parents/guardians of students. Governing Board policy 7:340, *Student Records*, and its implementing procedures govern recordkeeping and access issues.
